HILTON CENTRAL SCHOOL DISTRICT REOPENING PLAN

Based on input from our constituents and guidance from the NYS Department of Health and NYS Education Department, the Hilton Central School District will be using a hybrid learning model for the opening of school in September. This plan is subject to change and dependent on the Governor’s approval.

In order to reopen, all NYS schools, including Hilton CSD, must comply with the following:

- Require face coverings for staff and students (Mask "breaks" will be built into schedules.)
- Maintain appropriate social distancing (6 ft.)
- Provide daily teacher/student interactions
- Establish a process for daily health checks
- Regularly clean and disinfect schools and buses
- Promote correct hand hygiene and respiratory etiquette
- Ensure educational equity, access, opportunity, quality and support
